

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

JUNE 15, 2010

**Ensuring Accountability, Fairness and Quality of Alcohol and Drug Prevention, Education and Treatment Programs**

The Department of Public Health (DPH) is making progress in its efforts to develop a timeline and schedule to create a fair and competitive Request for Proposal (RFP) process for all alcohol and drug program contracts. DPH needs to articulate the process it will use to ensure that all of its contracts are fairly and equitably administered to ensure quality of care throughout the County.

**THEREFORE, I MOVE THAT THE BOARD OF SUPERVISORS:**

1. Amend Recommendation 12 of the Department of Public Health June 9, 2010 memo so that it reads:
  12. Delegate authority to the Director of DPH, or his designee, only as necessary to avoid the loss of any funding, to a) rollover any unspent grant funds identified in Exhibit 1; and b) increase or decrease contractors
